

DEBATE TOPICS

Give residents the debate topics and allow them to discuss. There are no right or wrong answers to these questions, they are to inspire conversation and get their brains thinking.

Light-hearted debate topics

- Are there more wheels or doors in the world?
- Are there more eyes or legs in the world
- Is happiness more important than success?
- What is the better pet, a cat or a dog?
- What came first? The chicken or the egg?

Would you rather?

You have to pick which one you would rather have/do. After discussing these topics, participants then can come up with their own topics to bring for discussion.

- Would you rather have arms for legs or legs for arms?
- Would you rather be able to talk with the animals or speak all foreign languages?
- Would you rather always say everything on your mind or never speak again?
- Would you rather be an Olympic gold medalist or a Nobel Peace Prize winner?
- Would you rather be the funniest person in the world or the smartest?
