HALLOWEEN MEMORY GAME

The idea of this game is to test the participant's short term memory via a fun game of match the cards.

You will need:

- A pair of scissors
- A table/flat surface

Once you have cut out all the cards you should place them facing up on a flat surface and analyse their positions.

For each picture, there are two of the same card. After 2 minutes they should turn all the cards over and try to match them up based on their memory.
